

**NCAP Annual Meeting to Hold “Speak Out. Stand Out. Break Out.”  
Best Practices Round Table Discussions!**

In keeping with this year’s Annual Meeting theme, *Transform through Innovation*, there will be a session dedicated to discussions on innovative best practices from around the great state of North Carolina. Attendees will have the opportunity to participate in up to four round table discussions, lasting 20 minutes each. We are looking for practitioners who engage in innovative practices to share their experiences as they facilitate an interactive small group discussion. If you are interested in facilitating one of these discussions, please send your name, your credentials, and a brief overview (no more than 200 words) describing your innovative work. Your overview should include 1-2 objectives.

The round table session is scheduled for Saturday, September 23<sup>rd</sup> from 1:30 – 3:00 pm.

Please send your overview and learning objectives to Dr. Courtney Bradley, NCAP Education Committee Co-Chair, [cbradley@highpoint.edu](mailto:cbradley@highpoint.edu) by **June 2<sup>nd</sup>, 2017.**

Example topics that were presented at last year’s convention include the following:

- AmCare Tool Kit
- Community Value Added
- Community Pharmacy & Physician Collaborative Practice Relationships
- Pharmacogenomics Testing in Community Pharmacy
- Precepting/Experiential
- Public Health
- Educating Providers About Guidelines
- CPP Credentialing in Ambulatory Care
- Transitions of Care at Mission Hospital
- The Clinical Training Center: A Layered-Learning Rotation Model
- Tackling the Opioid Epidemic in Western NC
- BPS Certification for Pharmacists
- Innovative Pharmacy Topics
- It’s a Team Effort: Integrating Community Pharmacists Into Team-Based Care
